Director of Security

SUBJECT:

Reinvestigation Polygraph

1. Thank you for your very thoughtful comments on how we might improve our reinvestigation polygraph program. Mark may have already informed you that we now conduct a briefing of employees who are scheduled for a polygraph examination. I invite you to attend a session and would welcome your suggestions on how we might further improve this program. Sessions are held every Friday at 2:00 p.m. in GA-13.

2. Again, thank you for your insights.
